You will be assigned one of the questions by raffle on Friday, 03/07/2025.

Instructions:

1. You will have 10 minutes to present your findings.

2. I will ask three questions during or after your presentation.

3. Points will be awarded based on the quality of your presentation and the correctness of your answers.

4. You may use a Microsoft PowerPoint presentation or a Beamer presentation to present your findings.

Questions:

1. Symmetry of groups with examples.

2. Dihedral groups with examples.

3. Cyclic groups with examples.

4. Subgroups with examples.
